The Customer Experience

What is it like to work with Title Center of Greater Kentucky

We have a partnership-based philosophy so we focus on more than just the immediate needs of our customers. We actively educate the real estate and lending communities on products, claims, and title insurance basics so they can provide better service to their customers.

What We Do, We Do Well

Our agency is assembled by experts who provide innovative products and excellent customer service. Our extensive knowledge allows us to respond promptly and effectively to title related questions, unusual search results, and challenging title issues. We have the insight and ability to quickly process even the most complicated transactions, and we take pride in consistently delivering outstanding title services.

Most importantly, we cultivate long-lasting relationships with those we serve. We know you have a choice, and we want you to choose Title Center of Greater Kentucky as your title insurance provider.

What Our Members Say About

Title Center of Greater Kentucky

“We are appreciative of the Title Center’s high level of service provided to our lenders and ultimately our customers. The fee income is helpful to our bottom line and does not carry the overhead typically associated with other income sources.”

– Dan Mason, Chief Lending Officer – Traditional Bank, Inc.

“The staff at the Title Center of Greater Kentucky is great! They are always helpful and willing to provide assistance with a variety of needs. The staff is friendly, courteous, and their professionalism helps the bank to provide a valuable service to our customers. The products offered by the Title Center of Greater Kentucky and their training are invaluable to a community bank.”

– Terry Bunnell, Chairman/President/CEO – The Peoples Bank

“As a lender, it gives me peace of mind knowing that TCGK is in my corner. With their team of experts, it gives me that comfort level when executing real estate transactions, that my lien is going to be valid and secure. They are always there to help.”

– Steve Bray, Vice President/Lender – United Cumberland Bank

“One of the first owner’s title insurance policies that was purchased at our bank resulted in a claim. My customer purchased real estate in a neighboring community and fortunately, they purchased an owner’s title insurance policy following my recommendation. A few years later my customer received legal notices requesting payoff on tax liens that were overlooked by the attorney. After a brief phone call to TCGK, a claim was filed and processing began. The claim was paid; both my customer and the bank were protected. The customer loves the bank because we provided a service that saved him a lot of time and money. We are located in a rural area so it was nice knowing that we can turn an issue over to TCGK and not have conflict. The staff at TCGK is very knowledgeable, efficient, and friendly. I am pleased to have TCGK as the quintessential business associate.”

– Jonathan Wilkerson, President & CEO – Farmers Deposit Bank of Middleburg
